Title: VEHICLE MOMENTUM FORCE ACTUATED BRAKING AEROSTABILIZER

DECLARATION AND POWER OF ATTORNEY

The Honorable Commissioner of Patents and Trademarks
Washington, D.C. 20231

Dear Sir:

As the below-named inventors, we declare that the information given herein is true; that we believe that we are the original first and sole inventors of the invention entitled VEHICLE MOMENTUM FORCE ACTUATED BRAKING AEROSTABILIZER described and claimed in the specification of the above-captioned application; that as to the subject matter of this application, we do not know and do not believe that the same was ever known or used before our invention thereof or patented or described in any printed publication in any country before our invention thereof, or more than one (1) year prior to the date of this application, and that said subject matter has not been patented in any country foreign to the United States of America on an application filed by us or our legal representatives or assigns more than twelve (12) months prior to this application; and that no application for patent on said invention has been filed by us or our representatives or any assigns in any country foreign to the United States of America; we acknowledge that we have a duty to disclose information of which we are aware which is material to the examination of this application in accordance with 37 C.F.R. 1.56 (a); and that we have never abandoned the invention.

Send correspondence to our attorney appointed to prosecute this application, Robert J. Van Der Wall, Registration No. 28,125, Suite 1620, Colonial Bank Building, 1200 Brickell Avenue, Miami, FL 33131. Telephone: 305/358-6000, Telefax: 305/530-8880.

As the below named inventors, our full names and addresses are respectively: Allan L. Brown, 12864 Biscayne Boulevard, #318, North Miami, FL 33181-2007 and Donald E. Burg, 15840 S.W. 84 Avenue, Miami, FL 33157, Telephone: 305/233-0289, Telefax: 305/233-1339. Our post office addresses are the same as our residence addresses. We are both citizens of the United States of America.

We hereby declare that we have reviewed and understand the contents of this application, including the claims. We further declare that all statements made herein of our own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States code, and that such willful false statements may jeopardize the validity of this application or any patent issuing thereon.

Respectfully submitted,

Dated: Sept. 26, 2003

Attorney Docket No: 104-145

DECLARATION CLAIMING SMALL ENTITY STATUS
PURSUANT TO 37 C.F.R. 1.9 (f)

The Honorable Commissioner of Patents and Trademarks
Washington, D.C. 20231

Dear Sir:

As the undersigned inventors, we hereby declare that we qualify as independent inventors as defined in 37 C.F.R. 1.9(c) for purposes of paying reduced fees under Section 41 (a) and (b) of Title 35, United States code, to the Patent and Trademark Office with regard to the above-identified invention.

We have not assigned, granted, conveyed or licensed and we are under no obligation under contract or law to assign, grant, convey or license any rights in the invention to any person who could not be classified as an independent inventor under 37C.F.R. 1.9 (d) or a non-profit organization under 37C.F.R.1.9 (e).

We acknowledge the duty to file, in this application or patent, notification of any change in status resulting in loss of entitlement to small entity status prior to paying, or at the time of paying, the earliest of the issue fee or any maintenance fee due after the date on which status as a small entity is no longer appropriate (37 C.F.R. 1.28 (b)).

We further declare that all statements made herein of our own knowledge and belief are true and that all statements made on information and belief are believed to be true; and further, that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title Eighteen of the United States Code, and that such willful false statements may jeopardize the validity of this application or any patents issuing thereon.

Respectfully submitted,

Dated: Sept. 26, 2003
